This requirement is what he is referring to:

10. Pre-consultation meetings shall be held at the Tribe's Fort Randall Casino on the first Wednesday of each month. Consultation meetings shall be held at the Tribe's Fort Randall Casino on the third Wednesday of each month. Meeting times shall be scheduled on a first-come, first-served basis. An agency shall contact the Tribe's THPO and Secretary's office to determine the next available meeting time and to schedule pre-consultation and consultation meetings.

Since we are not sure if the Tribe wants to schedule a consultation meeting, please send an email to the Yankton Sioux Tribal Secretary, attach the letter we sent and say something like..

Secretary Sully:

I am contacting you as follow-up to the attached letter the EPA sent to Chairman Flying Hawk on February 21, 2020 to see if the Yankton Sioux Tribe wishes to schedule a consultation meeting with the EPA regarding the proposed actions at the Dewey-Burdock uranium recovery site in southwest South Dakota. If the Tribe does wish to consult with the EPA, please let me know the first available date we could schedule a meeting.

The Secretary is

Douglas,

I called Kip Spotted Eagle to confirm what we talked on our prior conversation and he stated that we will need to start the first step of our consultation by contacting the Secretary. The Secretary will help us through the process. He also stated that due to the Corona Virus, the Tribe government will be close for the next 2 days for buildings clean up.

Hi Melanie: since Kim is out until Monday, let us know if you or someone else can help us on this. We will need to wrap up consultation with any/all tribes by the end of April, and are still waiting to hear if Yankton wishes to consult with us.

Hi Kim: in apparent response to our final 2/21/20 letter (attached) asking the tribe to indicate whether they are interested in consultation by 3/6/20, Omar talked with their THPO today (see below). Consistent with their attached protocol (see consultation step two on page 5) we addressed our letter to the Chairman.

As noted below, the THPO is asking us to contact their General Counsel, the governing body for the tribe (note: although there is mention of their General Counsel being involved with consultation, notification to their General Counsel is not stipulated on page 5 or elsewhere in their protocol).

Can you please advise on how to proceed?

Thanks,

Douglas

Douglas/Valois:

I did talk to Mr. Kip Spotted Eagle today 3/11/2020 12:40PM. He stated that he wanted to remind us about the protocol for consultation with the Yankton Sioux Tribe. He stated that if we are requesting consultation, we will need to follow the protocol and contact the Tribe's General Council.

How do you want me to proceed? I attached the protocol.

The Yankton Sioux Tribe THPO emailed the attached consultation protocol on July 30, 2019 (see below) in response to the July 8, 2019 letter we sent. I did not get any further response from him.

I'll send the info from the MHA Tribes next.

Greetings Richard and Kip,

The attached letter and enclosures are being sent to you on behalf of EPA Region 8. The EPA R8 Underground Injection Control (UIC) Program would like to invite you to consult on revised draft permits for injection wells and associated draft documents related to the proposed Dewey-Burdock uranium in-situ recovery site in the southern Black Hills region near Edgemont, South Dakota.

If you are interested in meeting with the EPA, please reply to Valois Robinson of the EPA R8 UIC program. Ms. Robinson can be reached at 800-227-8917 (extension 312-6276) or 303-312-6276. She may also be reached by email at robinson.valois@epa.gov.

If you have any questions, you may also respond to this email directly; we will be happy to convey questions or comments to EPA.

Thank you,
